Five-year index of articles by subject and by author

1975 - 1979

Index des articles par sujet et par auteur

Abbreviations for volume, page, month and year follow the standards laid down by the Canadian Periodical Index.

Ja — January	F — February	Mr — March	Ap — April
My — May	Je — June	Jl — July	Ag — August
S — September	O — October	N — November	D — December

Thus, 27:185-193 O'75 represents volume 27, pages 185 to 193 inclusive, October 1975.

When an article is continued on several pages dispersed throughout a single issue, the broken continuation is indicated by a "+"; for example, 31:284-285+ S/O'79.

Les abréviations pour le numéro du volume, des pages, des mois et de l'année suivent les règlements établis par l'Index périodique canadien.

Ja — janvier	F — février	Mr — mars	Ap — avril
My — mai	Je — juin	Jl — juillet	Ag — août
S — septembre	O — octobre	N — novembre	D — décembre

Ainsi, 27:185-193 O'75 représente le volume 27, pages 185-193 inclusivement, octobre 1975.

Quand un article se continue sur plusieurs pages disséminées dans tout le numéro, la continuité brisée est représentée par un "+"; par exemple, 31:284-285+ S/O'79.
